

## **Williton Pavilion Project**

### **Project Update.**

Pavilion:

The Trustee submitted its revised proposal for the new floor layout and pricing to the Big Lottery on Tuesday 5<sup>th</sup> April and it's been well received by their consultants, the proposal includes those additional features detailed within last month's edition of Williton Window though the officials changing room will remain unchanged.

Working with Mitchell Architects and Quantity Surveyor John Hannon of BakerRuff-Hannon, we have been able to refine some of the original costs for the building and we have managed to include all the additional requirements with only a minor change to the original price submitted with our Stage 2 application. The consultants will now put forward their reports and recommendations on the 13<sup>th</sup> May and we should know their decision by the beginning of June. A copy of the new floor plan should be on view in the Parish Office by the time this edition of the Window is published

Area of Quiet Contemplation – War Memorial

At last some good news, further to our discussion with West Somerset Council, they have now agreed that we can commence the above work and will release £21,000.00 of funding towards the cost. The Charity is now tendering for the work which will be undertaken in conjunction with the Royal British Legion. This will involve the construction of a 10M x 10M hard standing/assembly area to the front of the War Memorial and a tarmacadam footpath linking the War Memorial with Long Street. As part of these works there will also be a small level of planting and locations for memorial seating.

In parallel with this work, the Trustee will also be undertaking an upgrade of the electricity supply within the War Memorial building, this will provide the source of power for events held on the ground, a new lamp standard adjacent to the hard standing and additional CCTV coverage.

All work will commence after the FETE which is scheduled to take place on Saturday 9<sup>th</sup> July and conclude by the end of August.

Councillor Bill Vaughan
